

## Bridging the learning gaps through active learning-National Science Day

### Celebrations at Army Public School Golconda

#### Where every experiment matters.....

The celebrations of National Science Day at APS Golconda began with lab visits for children of class 6<sup>th</sup> to 8<sup>th</sup>. The curious thinkers got hands on experience of the various lab equipment's and their working or use. The science teachers guided them in the labs and explained in detail the working and use of each equipment and demonstrated interesting experiments which helped to bridge the gaps of learning.

### Touching the future: Guiding the curious thinkers.....

The science teachers of APS Golconda gave exhilarating and stimulating talk on topics like '**Science Around Us-** by Mrs. Rekha Sharma', '**Break the Myths-** by Mrs. Anita Waghmare' and '**Important Inventions and Discoveries-** by Mrs. P Venkata Sowjanya'. These engaging presentations stirred the minds of children towards scientific enquiry and ignited the sparks of curiosity, connecting the concepts learnt within the classroom with the real world.

### **The Brainiest at War...Its Quiz Time!!!**

Inter class quiz competition was organized for classes 6<sup>th</sup> to 8<sup>th</sup> where master minds from each section came forward to compete with each other. The quiz was conducted in 5 rounds including rapid fire. Each round raised the thrill and excitement amongst all. The quiz master Mrs. Ramya also asked questions from audience and teachers present. The winners and participants were awarded with certificates.

## Inspiring the Minds.....

The month long National Science Day celebrations came to an end with an inspiring talk by the HOD Science Dept. Mr. Ganesh Kumar. It was followed by felicitation of teachers from science department by Principal Mrs. Vidya Muralidharan. She motivated children to be curious thinkers and innovators of the future.
